PureSafety On Demand

OSHA 10 and 30 Construction Safety Training Online at your convenience

Just follow these easy steps:

- Open this link <http://ondemand.puresafety.com/>
- Click on "Earn Your OSHA Card" on top of page header
- Choose OSHA 10 Construction or OSHA 30 Construction
- Click "Add to Cart"
- Click "Secure Checkout"
- Create a "New individual account"
- Provide payment of \$89.00 for OSHA 10 and \$189.00 for OSHA 30
- UL Support Help 1.888.202.3018
- You will have up to 6 months to complete the training
- OSHA 10 Construction includes 10 hours of OSHA training along with 2 – 4 hours of mandatory quizzes and tests, therefore please allow 15 hours for course completion
- OSHA 30 Construction includes 30 hours of OSHA training along with 6 – 8 hours of mandatory quizzes and tests, therefore please allow 40 hours for course completion
- Completion certificate printable upon passing
- Provide completion certificate for reimbursement to your contractor
- OSHA card will be mailed in a few weeks directly to you from PureSafety
- You must bring your OSHA card to your local training center so it can be added to your certifications
- Steamfitters' website: www.ua449.com for additional training opportunities!

****This is the only approved OSHA online training provider accepted by your Local Union 449 JATC and the Mechanical Contractors Association**
